Dear Broker,

Bridger Insurance Services is pleased to offer your Safe Auto Insurance policy renewals on a new policy administration system co-developed by Bridger and SafeAuto, Bridger-SABRE. Safe Auto's currently approved filing, effective 03/25/2019, will be serviced exclusively on the new platform, which can be accessed at the website listed below.

All Safe Auto renewals with effective dates 3/25/2019, and later, will automatically generate renewal quotes and invoices in Bridger-SABRE. While you can still service those policies from Bridger's legacy system (and existing renewal quotes in Bridger-SABRE will be revised to reflect any changes), payment and renewal policy issuance must occur in Bridger-SABRE. You most likely will recognize the new platform since it is very similar to the BridgerAuto system. You can currently access Bridger-SABRE to view the policies coming up for renewal under your agency code by logging into the system.

Your credentials to access Bridger-SABRE were sent to you via email on 3/1 and also on 3/25. The subject line of the emails reads: Bridger's Safe Auto Renewal Program
