

BridgerAuto is Now Offering Roadside Assistance

Dear Broker,

Bridger is pleased to announce a new partnership with Nation Safe Drivers (NSD). NSD has over 50 years' experience in providing 24-Emergency roadside service for their customers. The program is designed to provide a service to your client's roadside needs.

The membership: **PLAN B** costs only \$5 per month and this membership applies to all vehicles on the policy. **PLAN B** features include:

- 24 Hour Emergency Road Service
- Towing of 15 miles
- Tire Service: Changing of a tire
- Locksmith Service
- Fluid Delivery: 2 gallons
- Medical First Aid: Disabled vehicle that needs minor adjustments (Exclusive parts)

Please note that the membership is automatically applied to the policy and is reflected in the payment amounts in the ITC and FSC raters. You must also print and provide the insured a copy of the membership form, see sample below. For you convenience, the membership form is included in the Point of Sale download package for a new policy.

The membership is not mandatory but adds value to the policy of the insured. You can always change the membership at any time through the policy management system.

If you have any additional questions regarding NSD, please contact customer service by phone or email us at brokerrelations@bridgerins.com.
